

Grill Nickel

Part #BC3555

for Models BabyC

- Remove from Box verify all part are there.
- Install grill onto the faceplate of the babyC unit locate the 2 small mounting holes for fastening the grill onto the faceplate.
- Align the grill mounting holes with the faceplate mounting holes.
- Prior to tightening fasteners make sure slots in grill line up with slots in the faceplate. If slots do not line up, rotate grill.
- Tighten fasteners until grill is pushed tight against faceplate. Do not over tighten.
